Syracuse Academy of Science Salutatorian Kayla Vidal

Name:

Kayla Vidal

Town:

Syracuse

Parents:

Griselle Camacho

What are your plans in the next few years?

I plan to attend college at Syracuse University

What have you enjoyed the most about your high school experience?

what I have enjoyed most about high school are the people I've gotten to know, both staff and students. I wouldn't be the person I am today without the knowledge they've given me and the push I needed to succeed.

What is your favorite quote or saying?

"Courage doesn't always roar. Sometimes courage is the quiet voice at the end of the day saying, 'I will try again tomorrow.'" - Mary Anne Radmacher

What is your advice to your graduating class?

I advise my graduating class to stay positive and keep striving towards your goals.

What do you do to relax and unwind?

I like to walk around when the weather permits, sit outside, read or listen to music.

What word or phrase best describes you?

Amiable

At your 25-year reunion, what do you want your classmates to remember you for?

I would like to be remembered as the girl who always did something different with/to her hair and as a person every and anyone could go to when they needed, a kind and caring person.

If nothing else, what one thing would you like to accomplish in your lifetime?

If nothing else, I simply wish to be happy
